**Sinautec Automobile Technology Announced Strategic Partnership
With Ontario Based Macnab Transit Sales Corporation**

Sinautec has announced that it will enter into a strategic partnership with Ontario based Macnab Transit Sales Corporation. Macnab Transit is the largest bus leasing and distribution company in Canada. Under the partnership agreement, Sinautec will provide Macnab Transit with the technology to assemble the ultracapacitor bus in Canada. Macnab will also become the exclusive distributor of Sinautec's thirty-two and forty feet model buses in the United States and Canada.
